

## High Point Academy Student Driver Registration Form

To ensure the safety of all students on campus, students who drive their own vehicles as transport to and from school are requested to read carefully these guidelines and follow them at all times. Parents or guardians must sign and return this form on or before the first day of school if your child is already driving, or whenever the student begins driving to and from school. Driving to High Point Academy is a privilege. This privilege can be suspended or revoked by the school. It is expected that all students who drive to school or who ride to school with a student driver have permission to do so from their parents or legal guardian. The student is to read the guidelines below and agree abide by the conditions stated.

1. The student driver must hold a current driver's license.
2. Students are not permitted to go to their vehicles during school hours for any reason unless a teacher or administrator has granted permission.
3. Students may park in designated parking spaces only.
4. Students must display the official HPA parking decal in the back right window of their vehicle.
5. Students will not be permitted to leave the school grounds in their vehicle during school hours unless an administrator has granted permission.
6. Student drivers are expected to be at school on time. Repeated tardiness will result in loss of driving privileges.
7. Student driver/parent assumes all responsibility for occupants in his/her vehicle.
8. Students who drive irresponsibly or who disregard the wished of the school will be disallowed from driving to school.

---

We have read the High Point Academy student driving policy and agree to abide by all conditions. I give permission for my child to drive to school. I understand that this permission is granted from transportation to and from school only.
